**Math:** This week we are beginning Module 3– Place Value, Counting, and Comparison of Numbers to 1,000. I am sending home a 'Eureka Tips for Parents' sheet to help you gain an understanding of this unit of study.

**Home Reading:** Last Thursday, your child brought home his/her first home reading bag. In the bag are two books that your child chose from his/her reading level. Also inside the bag were directions for the Home Reading books, an informational sheet about your child's current reading level, and a reading log. Please make sure to read the page titled 'Directions for Home Reading book'. Your child's Home Reading Bag, Home Reading Log, and two books should be returned this Thursday for new check-outs. The direction sheet and informational page about your child's reading level should remain at home for reference.

### Things to Remember:

- Please make sure your child brings a water bottle to school every day. Please write their name on their water bottle.
- Please provide at least two masks for your child daily, especially if they are wearing paper masks. Often the paper masks stretch out and/or the straps break.
- Please continue to read and initial the messages in the Home & Back Folder.

Have a great week! 😊
